

## Online Application procedure :

- Students who have passed the Higher Secondary examination or its equivalent (10+ 2) are eligible to apply for admission to the 1<sup>st</sup> BA / B.Sc class. The student must have taken a minimum of 5 subjects of 100 marks each at the HS level.
- The total process for admission to 1<sup>st</sup> Yr classes is online, through the college website [www.nistarinicollege.ac.in](http://www.nistarinicollege.ac.in). The following methodology must be followed –

## ADMISSION PROCEDURE & NORMS

**(To be read carefully by candidate before filling up form)**

- Admission will be strictly on the basis of the merit lists published online.
- Admission procedure will be conducted through online process only.
- The students will have to wait for the merit lists, which will be published on pre-notified dates. Students will choose their subjects as given in the admission form.
- Honours subject may be changed only once, as long as online admission process continues. As soon as classes begin there will be no change from Honours to Honours.
- All students are eligible for the General Course list. Students may take admission to the Pass course if they wish to wait for an Honours subject of their choice. **If any Honours seat remains vacant after beginning of classes, it will be filled up from the Pass course students, according to merit.**
- All admission fees will be paid online, and students will come to the college only at the beginning of classes, which will be notified online.
- Reservation quotas as per government rules will be maintained for ST, SC, OBC(A), OBC(B), and PH candidates. Original copies of all certificates will have to be produced at the time of verification in the college.
- The applicants will fill up only for BA or B.Sc. If any applicant wishes to apply for both, then two registration forms will have to be filled up separately.
- A General course student in Arts will have to choose two Elective subjects – one Primary and one normal. Both will be chosen as per available seats.
- A General course student in Science will have to choose Three Elective subjects – one Primary and two normal. All three will be chosen as per available seats
- Separate lists will be published for BA and B.Sc General course, and separate lists will be published for each Honours course.
- The merit panel will be prepared on the basis of four subjects – one from language group, and three from the rest of the elective subjects. Marks of Compulsory ENVIS will not be taken into account.
- Any false information whatsoever will lead to the immediate cancellation of candidature, even if the student has been admitted with full fees. No fees will be refunded in that case.
- Students passing 10+2 Vocational courses are only eligible to take admission to the degree General course, as per SKBU guidelines.
- Students who wish to opt for Environmental Science, Nutrition, and Computer Science Honours, must have Science background in the +2 level.
- 1<sup>st</sup> Year Candidates who failed to fill up examination forms for Part I examinations in 2019, will have to apply afresh for admission to the 1<sup>st</sup> Year class, 2019.
- Only candidates who have passed the 10+2 exams in 2019, 2018, and 2017 will be eligible to apply for admission into the 1<sup>st</sup> Year BA /B.Sc course.
- Only candidates who have obtained HS or equivalent degree from a recognized institution will be eligible to apply for admission into 1<sup>st</sup> semester.

## Verification of testimonials :

- After online admission is over, verification of testimonials will be done on the date the college opens for classes of Semester I.
- There will be verification of all **original** testimonials, including caste certificates.
