***** Future Planning: For the Period from 16.04.2020 to 10.06.2020:**

- i) The department will try to complete the syllabus as early as possible with special emphasis on the students of 6th/final semester. It is not possible to progress properly the practical paper having 06 credit of 6th Semester students, though we already supplied the study materials related to that practical paper.

- ii) The department will provide study materials and or explanations with worked out examples, as far as possible, and on the requirement from the students through whatsapp.
- iii) The department will also provide suggestions and model questions with hints through whatsapp for the coming Semester examinations.
- iv) The department will try to provide any other support service to the students during this lockdown period, if possible, which may help the students in their preparation for coming examinations after discussion with the authority or getting information from other departments about their activity with students.

DEPT. OF PHYSICAL EDUCATION
