2. Smt. Rajani Sharma, Govt. Nominee, GB
3. Prof. N. D. Sannigrahi, IQAC Convenor
4. Prof. Krishnapada Mandal (English), TCS
5. Dr. Moumita Sinha
6. Smt. Mousumi Mahato, Librarian

Ag. 1. The meeting was presided by Dr. Indrani Deb, Principal, Nistarini College. She informed the house that no meeting of this committee was held for the last two years because the college was under government lockdown, and there were no complaints received from the students. As far as she has been reported, the online classes and other activities have continued properly during this period.

Since the college has started after a long period due to covid pandemic, some students have reported to her that

- a. Some bore wells are not working, leading to crisis of drinking water and toilet water. She also informed that necessary steps have been taken to get the underground borings fixed, and check whether the pumps are working.
- b. The Librarian, Smt. Mousumi Mahato reported that several 6th semester students have reported that the computers in the students' computer centre in the library are not working. As such, they are unable to access the internet when they require to do so. The Principal requested the House to check which computers are not working, with the help of Sri Dipankar Mahato of the Computer Science department, and report to her, so that she can look into the matter, and rectify the situation.
- c. The IQAC Convenor added that several computers in the college are not working. The Principal requested him to oversee the checking of these computers as well, and report to her about what needs to be done. This will be done without delay.

Since there were no other issues, the meeting was ended with a vote of thanks to the Chair.

Ag. 1. The meeting was presided by Dr. Indrani Deb, Principal, Nistarini College. She informed the house that the Grievance Redressal Cell has received a complaint regarding water crisis. She informed the house that this is a problem that the college has been facing for a very long time. She also reported that after receiving the complaint, she has prepared estimates for the college installation of tube-wells and hand-pumps from the college fund to overcome the water crisis upto a certain extent. She said that she would forward these estimates to the Finance Committee for approval, and she hoped that these would be installed soon.

The house thanked the Principal for this initiative and requested her to also renovate the cycle stands for the students, as the number of cycles was far more than the space provided. She assured the House that she would get the renovations done as early as possible. However, there is a space crisis in the college, and she would first do some planning with the Building Committee before taking any decision regarding extension of the cycle stands.

Since there were no other issues, the meeting was ended with a vote of thanks to the Chair.

Ag. 1. The meeting was presided by Dr. Indrani Deb, Principal, Nistarini College. She informed the house that the Grievance Redressal Cell has not received any complaint during the last year. However, she informed that some students verbally requested her that the washrooms need to be cleaned at least once during the class hours. The students do not face any problem during the initial classes, but as the usage of washrooms increase, the washrooms become difficult to use. Although it was not a formal complaint, she assured the House that the complaint of the students will be taken care of. She will also try to appoint a new sweeper on daily wage basis for better maintenance of the washrooms.

Since there were no other issues, the meeting was ended with a vote of thanks to the Chair.
