Subject: Thank you for your participation in the C20 India initial survey

Dear All,

India's Presidency of the G20 starts today, and so does our adventure for Civil 20 India 2023.

We are very excited to commence this new journey with you, which will last for the next year, and will hopefully lead to a better future.

To this day, we have received **1,000+ responses from 22 countries** to this day, including from a wide range of civil society organizations, non-profits and NGOs worldwide.

Participation as of 30 November 2022:

Word cloud representing the priority areas proposed by the participants to the survey

Please note that we are still in the process of analysing these responses, which will help define the various Working Groups that will structure the discussions and open consultations with members of civil society organizations, non-profits and NGOs for the next several months.

All relevant information related to C20 will be made public through various channels, including by email, on the official website (link to be shared soon), social media handles and presse releases. Members of CSOs, non-profits and NGOs who wish to join specific Working Groups may also be included in mailing lists.

In the meantime, we wanted to share additional information about C20 India 2023.

Nistarini College and NSS Units

Nistarini (Women's) College, established on 17 August 1957, is the oldest women's college in Purulia district, West Bengal, India. It offers undergraduate courses in arts and sciences. It is affiliated to Sidho Kanho Birsha University and accredited by National Assessment and Accreditation Council with an A grade. The current principal is Dr. Indrani Deb.

This college was established in Purulia to promote women's higher education in Purulia district and its surrounding areas. The idea of establishing this kind of institution is conceptualized in the Summer House of Deshbandhu Chittaranjan Das, a pioneer in India's Freedom Movement.

The college started on 17 August 1957 in a rented house called "Swapan Puri" at Ranchi road, Purulia. The foundation stone was laid by then-president of India Dr. Rajendra Prasad and the college shifted to its original abode on 16 April 1958. The founder was Sri. Jimut Bahan Sen (founder president).

 - f) To use laboratory facilities in specific cases (with prior approval of Principal) for a limited period.

MC and NC agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two colleges. These terms will include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

ARTICLE 2 : COORDINATION

Each college shall appoint one member of its teaching faculty to coordinate the programme on behalf of the Principal of each college. Further, a Coordination Committee consisting of two Principals and the two Coordinators will periodically (once or twice a year) review and identify ways to strengthen cooperation between two colleges.

ARTICLE 3: CONFIDENTIAL INFORMATION

The two colleges will retain and respect individual confidentiality, including those pertaining to the collaborative activities of both colleges.

ARTICLE 4 : INTELLECTUAL PROPERTY RIGHTS

Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design rights, rights relating to computer software and any other industrial or intellectual property rights) developed jointly during the course of this MoU shall be vested in both the colleges in this MoU. Both the colleges shall have right to determine the commercial implications, disposition and exploitation of such intellectual property and shall make joint applications for the registration of the same. Any publication regarding such intellectual property shall be possible with prior written consent of both colleges.

ARTICLE 5 : VALIDITY

The MoU shall remain in force for a period of FIVE years commencing from the effective date. Institutions may extend the term by written agreement signed by both after review.

ARTICLE 6: TERMINATION

Either institution may terminate the MoU by giving written notice of six months in advance to the other institution.

ARTICLE 7: LEGAL EFFECT

Nothing in this MoU shall be construed as creating any legal relationship between the two colleges. This Memorandum is a statement of intent to foster genuine and mutually beneficial collaboration.

ARTICLE 8: DISPUTE RESOLUTION

In case of a dispute relating to any aspect of academic cooperation, Principals of both colleges will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.

Maheshtala College and Nistarini College welcome the establishment of this Memorandum for cooperation and jointly agree to the provisions set out as above.

Dear Sir/ Madam,

Greetings!

Congratulations to the Participating Institution selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. We are glad that you have selected the cluster of villages under Unnat Bharat Abhiyan (UBA) in consultation with the District Collectors.

The next step is to complete the survey of all the villages adopted by you under the program. Please find attached a copy of a template for Baseline Household survey form as well as the Village survey form to be filled in during the field survey. An attempt should be made to cover all Households in the village. One Village survey forms are to be filled for each village. Kindly get it completed in all village survey as soon as possible. Then the data should be uploaded online on the reporting portal of the UBA website from your side. The Reporting Portal' login credentials are the same as your registration credential, soon the portal will be activated for uploading the data. After login your login credential and uploaded the baseline survey data on UBA Website for further analysis. After final submission of baseline survey data an analysis report of the data, fed by you will be generated on the UBA Website at your Institute page under Reporting Portal on the home page. You may use the same for the preparation of the plan of action/ Village development plan/ Technologies intervention for each village.

You are requested to complete PRA exercise of adopted villages for identification of major problems and preparation of a plan of action/ technical interventions. You are advised to kindly contact the village development officer and representatives of villages and organize Gram Sabha meeting as soon as possible and identify three major issues to be taken up for village development. You can set short term, medium-term and long-term goals for village development. You should start addressing two or three challenging issues immediately without waiting for household surveys to be completed. These issues should be identified through Gram Sabhas and should ensure public participation in planning and implementation. A template for seeking information regarding plan of action for the key problem identified in villages has been developed. A template for seeking information regarding plan of action for the key problem identified in villages will be available soon on the reporting portal to upload your plan of action. Please find attached copy of PRA report for Nuarngabad village (IIT Delhi adopted village) along with PPT of "Development and Demonstration of Participatory GIS for use by Rural Stakeholders in Watershed

Development. We have already uploaded some of village development plan on the UBA website, please visit the UBA website for more information.

A tentative timeline for its implementation could be as follows.

Item of work	Time from the date of launch
Selection of the Cluster	One month
Awareness generation	Two months
Social mobilization	Three months
Baseline Survey	Three months
Situation analysis	Five months
Village development plan	Seven months
Approvals and sanctions	Eight months
Implementation in the field	Nine months
Progress Review	One Year

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.
