ACTION TAKEN REPORT AGAINST EMPLOYER'S FEEDBACK

The College Authority has analysed the Feedbacks of various employers of this city and noted the following points as stated below.

- (i) Most of the Employers believe that this College is the best College of Women in this district.
- (ii) Employers praised the Teaching-Learning process and activities of this college.
- (iii) They were also satisfied with the environment of this college regarding safety of women in this college.
- (iv) The Employer's were satisfied that the college is concerned about the employability of the students of this college.
- (v) The Employers suggested that although most of the students are academically sound, but they need to improve upon their communication and English speaking ability, knowledge of computer and mathematics as well as soft skills which is extremely essential for employability.

ACTION TAKEN:

The College Authority has taken the Employers' Feedback very seriously and sincerely conveys its gratitude for their honest views and suggestions. It reveals that sincere and continuous self-upgradation process has to be maintained to develop the skills of the students to build their career after graduation. Accordingly, the College Authority has instructed the Career Counselling Cell to keep in touch with the Employers on a continuous basis and take necessary initiatives to invite the Employers and various recruiting agencies as much as possible to the College for Awareness Campaign so that our students can make themselves employable as much as possible.

IMPLEMENTATION:

The Career Counselling Cell has conducted multiple Awareness Campaign Programme so that students can be made aware of job prospects in the market as well as various fields according to their ability and needs. The Career Counselling also invited some recruiting agencies from both academic as well industries to conduct campus recruitment programs and has also made a few MoUs with a Consultancy Firm to aware the students about their employability like RICE, Pages Consultancy etc. These academic Consultants have carried out some awareness programmes for upgrading the employability of the students.
