NISTARINI COLLEGE, PURULIA

We beg to report on the application of the Secretary of the Palli Bharati, Purulia, a well known organisation devoted to social work, for affiliation of a college for women which this organisation, in collaboration with other local gentlemen interested in education, propose to start from the coming session. Affiliation is sought for this college in English, Bengali, Additional and Alternative Bengali, Hindi, Sanskrit, Commercial Geography, History, Civics, Logic and Mathematics to the I.A. Pass standard.

There is no college for women at Purulia. Guardians who have no objection to co-education send their girls to the J.K.college. There are 59 girl students at present in the J.K.College distributed among the classes as follows:-

I.A. - 1st Year - 24
2nd Year - 16

B.A.- 3rd Year - 14
4th Year - 5

Quite a number of girls from more conservative families however cannot have a collegiate education for want of an institution meant for women only. This year 46 girls have appeared at the School Final Examination from the Purulia and Raghunathpur centres. We may expect more than 30 of them to pass, and seek admission to a college. With the passage of time there is no doubt the number of such girls will increase. There is therefore real need of a women's college to serve the needs of higher education in these recently transferred territories. The Government of West Bengal which is anxious for the promotion of education in the Purulia district has decided to run the proposed college as a 'sponsored' institution. Government has secured the house at Purulia belonging to the late Deshbandhu C.R.Das for the location of the college and has decided to name the college after Nistarini Debi, mother of Deshabandhu Chittaranjan. We visited Purulia and inspected the college site. We have also had discussions with the Secretary of the Palli Bharati and some of the leading gentlemen of Purulia. The building for the proposed college which is about 3 miles from the railway station and about 1.5 miles from the centre of the town, has a compound about 17 bighas in area. It has ten rooms four bath rooms and covered verandahs all round. Four of the rooms are about 300sq.ft. in size. There are 3 rooms which are 221 sq.ft. in dimension and the others are smaller. This building will serve the purpose of a college affiliated to the I.A. and B.A. standards in the subjects prayed for, having 35 to 40 students in each year class. By the time that a larger number of students will be seeking admission, the authorities of the college should construct a new college building on up to date plans for which there is ample space in the compound. The Secretary of the Palli Bharati showed us two houses not far from the college site which he has kept engaged for the accommodation of the principal and the teaching staff and for the purpose of a girls' hostel. The college will maintain a bus for taking the students from their houses to the college and reaching them back.

The tuition fees to be charged will be as follows :-

I.A.. - Rs. 8/- per month.

B.A. - Rs. 10/- per month.

The college will have the following teaching staff :-

Subject	Lecturers	
	Senior	Junior
English	1	2
Bengali	1	2
Hindi		1
Sanskrit		1
Civics & Economics		2
Logic & Philosophy		2
History		2
Commercial Geography		1
Mathematics		2
Total :	2	15

The staff as proposed is adequate with the exception of that recommended for Sanskrit. The college may function with one lecturer in Sanskrit in 1957-58, but a second lecturer in Sanskrit should be appointed from 1958-59.

Government has placed necessary amounts with the Construction Board for carrying out essential repairs to the college building and for installation of electric fittings, plumbing, water supply etc. Government has also sanctioned the following non-recurring expenditure :-

Furniture and equipment	- Rs. 30,000/-
Books	- Rs. 15,000/-
Bus-	- Rs. 27,000/-

Government will also meet the entire deficit in running the institution, and has sanctioned a maintainance grant of Rs. 27,000/- for the first year.

We, therefore recommend that the Nistarini College, Purulia be affiliated in English, Bengali Vernacular, Additional paper in alternative Bengali, Alternative Bengali, Hindi Vernacular, Sanskrit, Commercial Geography, History, Civics, Logic and Mathematics to the I.A. Standard and in English, Bengali Vernacular, Alternative paper in Bengali Vernacular, Bengali, History, Economics, Philosophy and Mathematics to the B.A. Pass Standard from the session 1957-58 with permission to present its students for the examinations of 1959 and not earlier on condition that the college is equipped with necessary furniture, Library etc. And the teaching staff is appointed before the commencement of the session.
