Relevant extract of the resolution of the GB meeting held on 17/12/2022:

Ag.18) Miscellaneous :

g. The Principal reported that the online Online **"e-COLLEGE (CAMS-4.0)" software** is running successfully at Nistarini College, Purulia, W.B. from 2019. The **"e-COLLEGE (CAMS-4.0)"** software provides different types of facilities like Admission, Fee Collection (Online & Offline mode) & Fees Refund, Asset & Stock Register, Accounts, Payroll & Acquittance, PF Management, Library Management, Online Examination (MCQ type & Assignment system etc), and all other administrative, office, departmental, and student-related activities. The amount annually payable has been Rs.179,800/- (Rs.1,29,800/- for the office software, and Rs.50,000/- for admission software), initially, and then, henceforth, Rs.86,140/- for AMC, and Rs.50,000/- for admission software..

Before 2019, the offline CAMS 2.0 software had been used, which had all these facilities, except for the fact that it was run offline. The amount annually payable then was Rs.1,17,600/- for initial installation, and henceforth, Rs.20,000/- for the AMC.

The Principal also reported that the software providers are always prompt in their service, as and when required. The above was noted and approved by the House.
