#### SEMESTER-WISE CONTINUOUS EVALUATION REPORT OF 2017-18 BATCH

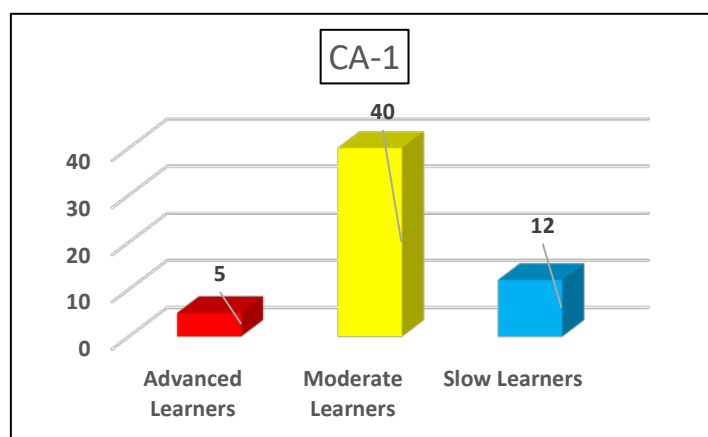

##### SEMESTER-I

Following the standard protocol as formulated by the Higher Education Department, Govt. of West Bengal, admission of students to 1<sup>st</sup> Semester of the CBCS curriculum commenced in the month of June-July, 2017 and the Induction meeting was held on 17<sup>th</sup> July, 2017. After 1 month of class, the Department of Philosophy Conducted its 1<sup>st</sup> Continuous Internal Evaluation on 25.08.2017.

Before going into the details of CIE, a brief overview of the department may be helpful in understanding the process of CIE.

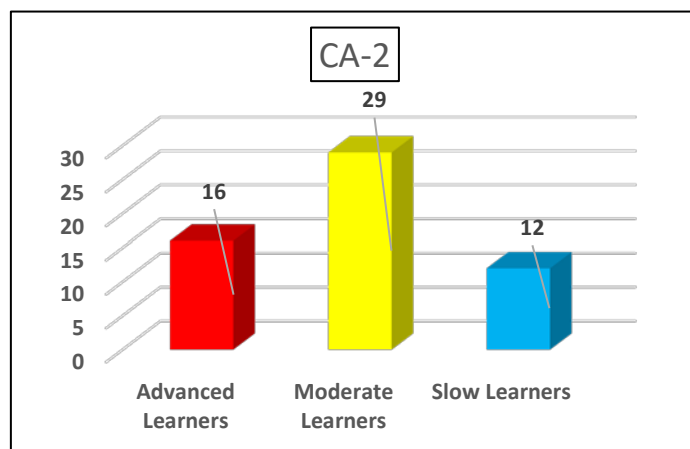

No. of Faculty Members	:	04
No. of Students admitted to Philosophy (H)	:	57
No. of Core Courses (CC) for Hons.	:	02 (CC-1 & CC-2)
Nature of Core Courses	:	Theory only.
Credits for CC-1 & CC-2	:	6 + 6 = 12
Process of Final Assessment	:	10 marks Internal Evaluation + 40 marks Theory Examination Conducted by University.

Accordingly, the 1<sup>st</sup> CIE (CA-1) was conducted through a written test of 10 marks and the students were categorized into 3 categories, namely 'Advanced Learners' (AL), 'Moderate Learners' (ML) and 'Slow Learners' (SL). The number of students in the various categories (AL, ML & SL) are depicted graphically as follows:

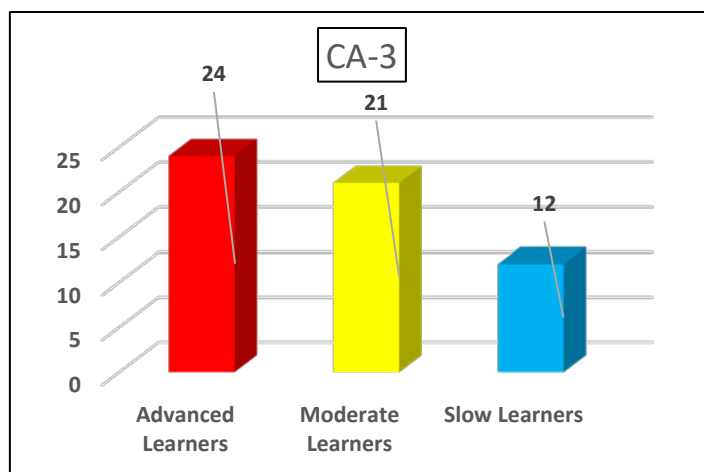

Hence, it was decided that tutorial classes will be held for ALs and MLs, while remedial classes will be held for SLs. The tutorial and remedial classes were held accordingly and the study

materials were supplied to the students. The tutorial and remedial classes were continued for 1 month and Continuous Assessment – 2 (CA-2) was taken and the results are shown as follows:

It was observed that the number of ALs increased from 5 to 16, while the number of MLs decreased from 40 to 29. Hence, the tutorial and remedial classes were continued for another month and CA-3 was taken and the results are shown below:

The results showed that the tutorial classes did improve the AL & ML students, but the number SLs remained same. Upon scrutiny it was found that most of them have either left the college, or have shifted to other colleges.

Finally, 47 students appeared for the 1<sup>st</sup> Semester Examination conducted by the University and 45 of them passed successfully. 2 out of 47 students got GPW (Grade Point Withheld), i.e. the passout percentage is 95.74%.

Accordingly, the 1<sup>st</sup> CIE (CA-1) was conducted on 28.03.2023 through a written test of 10 marks and the students were categorized into 3 categories, namely 'Advanced Learners' (AL), 'Moderate Learners' (ML) and 'Slow Learners' (SL). The number of students in the various categories (AL, ML & SL) are depicted graphically as follows:

Hence, it was decided that tutorial classes will be held for ALs and MLs, while remedial classes will be held for SLs. The tutorial and remedial classes were held accordingly and the study materials were supplied to the students. The tutorial and remedial classes were continued for more than 1 month and Continuous Assessment – 2 (CA-2) was taken on 03.05.2023 and the results are shown as follows:

It was observed that the number of ALs increased from 32 to 35, while the number of MLs remains same but SLs decreased from 15 to 12. Hence, the tutorial and remedial classes were continued for another more than month and CA-3 was taken on 06.06.2023 and the results are shown below:

The results showed that the tutorial classes did improve the AL & ML students. And finally, 47 students out of 57 students appeared for the 2<sup>nd</sup> Semester Examination conducted by the University and 46 of them passed successfully. 1 out of 47 students got GPW (Grade Point Withheld), i.e. the pass out percentage is 97.84%.
