

BOTANY CIE REPORT

NISTARINI COLLEGE, PURULIA

Academic Session 2017-2018

Presently in the U.G. level two types of systems (CBCS and non-CBCS) are running in the college.

In the old system (non-CBCS) the students have to appear in the University Examinations as Part- I Examination at the end of 1st year, Part-II Examination at the end of 2nd year, and Part-III Examination at the end of 3rd or final year.

The choice based credit system (CBCS) was introduced in the U.G. section from 2017-18 academic session. Induction meeting was held on 17th July 2017. After one month of induction meeting students merit level was evaluated on the basis of marks obtained in 1st internal Assessment.

The teachers evaluate the scripts of the class tests and show the students their scripts for rectifying their mistakes. The advanced students as well as the slow learners are thus separately taken care of by their teachers.

Mid Term Test and Final Test are conducted centrally by the college in the middle and at the end of an academic session for the students of the old system. The individual students whose performance is not satisfactory are counselled in the presence of their guardians by the departmental teachers. The Departments take reformative measures for such students in the form of special classes.

In addition to different tests organized by the college or the department, students take part in the departmental activities such as power-point presentation of 10 minutes duration.

Academic Session 2018-2019

Induction meeting of 1st Sem students was held on 16th July 2018. After one month of induction meeting students merit level was evaluated on the basis of marks obtained in 1st internal Assessment.

The teachers evaluate the scripts of the class tests and show the students their scripts for rectifying their mistakes. The advanced students as well as the slow learners are selected and thus separately taken care of by their teachers.

On the basis of internal assessment some students of previous session are upgraded to Advance students. Mid Term Test and Final Test are conducted centrally by the college in the middle and at the end of an academic session for the students of the old system. In addition to different tests organized by the college or the department, students take part in the departmental activities such as power-point presentation of 10 minutes duration.

Academic Session 2019-2020

Induction meeting of 1st Sem students was held on 15th July 2019. After one month of induction meeting students merit level was evaluated on the basis of marks obtained in 1st internal Assessment. The advanced students as well as the slow learners are selected and thus separately taken care of by their teachers.

On the basis of internal assessment three students of previous session are upgraded to Advance students. Mid Term Test and Final Test are conducted centrally by the college in the middle and at the end of an academic session for the students of the old system.

2nd internal assessment was taken after 2 months. This is final assessment as per university directive due to Covid situation.

Academic Session 2020-2021

Online Induction meeting of 1st Sem students was held on 6th December 2020. Online classes was started and accordingly different online activity like online tests, power-point presentation of 10 minutes duration were organized by the department.

Students merit level test was conducted in the last week of January 2021. The advanced students as well as the slow learners are selected and thus separately taken care of by their teachers. On the basis of internal assessment few students of previous session are upgraded to Average students.

Academic Session 2021-2022

Online Induction meeting of 1st Sem students was held on 22nd October 2021. After one month of induction meeting students merit level was evaluated on the basis of marks obtained in 1st Online internal Assessment. The advanced students as well as the slow learners are selected and thus separately taken care of by their teachers.

On the basis of internal assessment four students of previous session are upgraded to Advance students. In addition to different tests organized by the college or the department, students take part in the departmental activities such as power-point presentation of 10 minutes duration.

2nd internal assessment was taken after 2 months of class in each semester. This is final assessment as per university directive due to Covid situation.

Academic Session 2022-2023

Induction meeting of 1st Sem students was held on 19th September 2022. After one month of induction meeting students merit level was evaluated on the basis of marks obtained in 1st internal Assessment. The advanced students as well as the slow learners are selected and thus separately taken care of by their teachers.

On the basis of internal assessment six students of previous sessions are upgraded to Advance students. In addition to different tests organized by the college or the department, students take part in the departmental activities such as power-point presentation of 10 minutes duration.

No student is allowed to appear in the final examinations without appearing in the internal assessments. The University Examinations are now held at the end of each semester and students are allowed to appear in the examination provided they have attended at least 75% classes.
