

## **CONTINUOUS INTERNAL ASSESSMENT**

### **DEPARTMENT OF HINDI**

One of the important parts of Internal Assessment is continuous evaluation. In the each semester the students got to know about the internal assessment through the teachers. After 1-2 month of first induction meeting of UG section. The department of Hindi have determined to take an assessment through oral question answer session, Viva Voce, class test. After assessment the department divided the students into three different categories i.e advance, moderate which is equal to Avarege, and Poor. After this the dept. organize tutorial classes for the advance students and for the moderate students the teacher arrange remedial class as well as the same process is continued for the poor students. According to CBCS Semester system we allotted 10 marks. Of this 10 marks 3 marks specially allotted for the class attendance and 7marks for internal assessment. The teacher also encourage the students to attend the classes regularly. And if some students are absent then teacher are also keen to know about the reason. After the exams the students are also provided and helped with the feedback for the future betterment. Apart from all these activities the teacher continue with the regular classes, tutorials, assignments and remedial classes, which is held through out the session. In the lockdown period the students submit their assignment through online mode. Students are also kept under great care and monitored.
