

**NISTARINI COLLEGE, PURULIA**  
**NUTRITION DEPARTMENT**  
**CONTINUOUS INTERNAL EVALUATION (CIE) REPORT:**

The evaluation system adopted by the Institute has two components:

1. Continuous Internal Evaluation (CIE)
2. Semester End Examination (SEE)

The internal and university assessment structure for theory and practical courses of Nutrition hons is as tabulated below.

Continuous Internal Evaluation (CIE)							Semester End Examination (SEE) by University	
Theory (20 marks)			Practical if 10 marks		Practical if 20 marks		Theory (40 mark)	Practical if full paper (40 mark)
Two unit test	Choice based component (CBC)	Attendance	Continuous evaluation	Comprehensive test/ viva.	Continuous evaluation	Comprehensive test/viva	University Exam	University practical test/viva
10	06	04	06	04	10	10	40	40

**Continuous Internal Evaluation (CIE)**

The evaluation of the students is an integral part of the teaching-learning process. The Continuous Internal evaluation (CIE) :

1. Encourages the students to progress continuously in the semester leading to thorough understanding of the course.
2. Allows teachers to evaluate the performance of their students in accordance with the course objectives.
3. Enhances the students abilities and skills such as creative and critical thinking, working in a team, communication skill, leadership abilities, etc.
4. Distributes course work throughout the semester reducing stress on the students.
